SECTION 3

(Maximum Marks: 12)

- This section contains TWO paragraphs.
- Based on each paragraph, there are TWO questions.
- Each question has FOUR options (a), (b), (c) and (d). ONLY ONE of these four options is correct.
- For each question, darken the bubble corresponding to the correct option in the ORS.
- For each question, marks will be awarded in one of the following categories:
Full Marks: +3 If only the bubble corresponding to the correct option is darkened.

Zero Marks: 0 In all other cases.
